## **DETAILED ACTION**

### ***Response to Amendment***

Applicant's request for reconsideration of the finality of the rejection of the last Office action during an Applicant initiated telephone interview held on April 15 2008 is persuasive and, therefore, the finality of that action is withdrawn. Agreement was reached on the amendments that would put the claims in condition for allowance.

## **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. William Slate on April 15 2008.

The application has been amended as follows:
